

# Senior Interior Designer Job Description

Lisman Studio Interior Design

[www.lismanstudio.com](http://www.lismanstudio.com)

Midvale, Utah

## Position Overview:

This internship offers an excellent opportunity for individuals pursuing a career in interior design to gain hands-on experience and insight into the field. As an intern, you will work closely with our experienced designers on various projects, contributing your creativity and skills while learning from industry professionals.

## Key Responsibilities:

- Assist senior designers in creating design concepts and presentations for residential and commercial projects.
- Participate in design meetings and brainstorming sessions to develop solutions tailored to client needs.
- Research materials, products, and design trends to support project development.
- Assist in space planning, furniture layout, and selection of finishes, fixtures, and furnishings.
- Prepare detailed drawings, renderings, and mood boards to communicate design ideas effectively.
- Collaborate with the team to produce comprehensive design documentation, including floor plans, elevations, and specifications.
- Support project coordination and management tasks, including site visits, vendor communication, and procurement.
- Contribute to organizing and maintaining design materials, samples, and resource library.
- Stay updated on industry developments and participate in workshops or training sessions to enhance skills and knowledge.
- Undertake additional tasks and projects as supervisors assign to support the firm's overall objectives.

## Qualifications:

- Currently enrolled in or recently graduated from an accredited interior design program.
- Strong passion for interior design and creative problem-solving.
- Proficiency in design software such as AutoCAD, SketchUp, Revit, and Adobe Creative Suite.
- Excellent communication and interpersonal skills, with the ability to collaborate effectively in a team environment.
- Detail-oriented with a keen eye for aesthetics and design principles.
- Ability to manage multiple tasks and meet deadlines in a fast-paced environment.

- Basic knowledge of construction methods, building codes, and industry standards.
- Prior internship or relevant experience in interior design is preferred but not required.
- Availability to commit to the duration of the internship program.
- Portfolio showcasing design projects and technical skills is highly encouraged.

**Benefits:**

- Hands-on experience working on real-world design projects.
- Mentorship and guidance from experienced professionals in the field.
- Opportunity to build a professional network and gain valuable industry insights.
- Potential for future employment or recommendations based on performance.

**Contact Us to Apply:**

Please submit your resume and cover letter to [info@lismanstudio.com](mailto:info@lismanstudio.com) to apply. Please make sure to include the job title in the subject line of your email.
